9th April 2024

WELCOME BACK!

Spring has most definitely sprung and it was wonderful to welcome everyone back yesterday. We hope you all had a restful Easter break and spent quality time with your families.

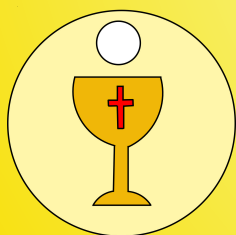

Catholic Life and Collective Worship

Yesterday morning, all the children in KS1 and 2 gathered together and reflected on this week's Gospel story of when Thomas doubted that Jesus had risen. We thought about our own faith and whether we question it sometimes. We prayed to God to help us stay strong in our faith. We set our mission for the week: To keep growing in faith, just like Thomas did.

Eid Mubarak

Eid Mubarak to all our children and their families celebrating Eid al-Fitr this week.

Next week, the children of St Francis will be taking part in 'Other Faiths' week, which this half term will focus on Islam.

We would love for any of our families who have photos of their celebrations from this special time or anything else they would like to share about their faith to email the school or bring in to their class teacher/Ms Jennings.

Also, we would love to hear from any parents who would like to visit our children and share with them all about this special time of year (Ramadan and Eid) or about their faith in general to help support the children's understanding of Islam. If you would like to do this, please email the office.
